Docket No. CP2019-175

**USPS MOTION FOR LATE ACCEPTANCE OF NOTICE OF EXTENSION OF
PRIORITY MAIL EXPRESS & PRIORITY MAIL CONTRACT 95**
(July 1, 2022)

The Postal Service hereby moves for late acceptance of its notice of an extension of Priority Mail Express & Priority Mail Contract 95. The Postal Service has today filed its notice that the parties have mutually agreed, pursuant to Section III of Priority Mail Express & Priority Mail Contract 95, to extend the contract until October 2, 2022. However, the Postal Service recognizes that the language of Section III calls for notification to the Commission at least seven days prior to the contract's termination date. Priority Mail Express & Priority Mail Contract 95 was scheduled to terminate on July 4, 2022, and although the parties agreed to an extension prior to that date, the appropriate notice was not filed with the Commission until today. The delay was a result of ongoing negotiations with the customer regarding a successor contract. The Postal Service regrets the delay but submits that no party has been materially prejudiced by it.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
